## PRINCIPAL'S / SCHOOL IMPROVEMENT COUNCIL REPORT

This has been a super year at Green Sea Floyds Elementary. Our students have performed well academically. Our student council provided many services to the community and school. Among our accomplishments are:

- All students (K-6 grade) received instruction in Spanish and computer lab;
- School Improvement Council rewarded 5 students for making all A's and perfect attendance in grades 1-6;
- 1,508 awards were given in the Renaissance Program;
- Students accumulated 21,768 points in the Accelerated Reader Program, with four students receiving a \$50 savings bond for being the top readers; and
- 200 students participated in the Math Celebration.

Our staff worked hard to achieve our performance goals included in our strategic plan and five-year renewal plan. Weekly grade level meetings were held for teachers to plan curriculum with our curriculum specialist. The Literacy and Numeracy Models were implemented in all grade levels. Science kits for grades 2-5 were provided by the Waccamaw Science Hub. An extended school day was offered to students performing below grade level. One teacher completed her requirements for National Board Certification.

Our PTA raised funds for the Renaissance Program and field trips. The challenges for the 2002 school year include providing a set curriculum for the extended school day, improving PACT scores, increasing student and staff attendance, and engaging more community members in improving student achievement.
